★ He Will Not Bend ★

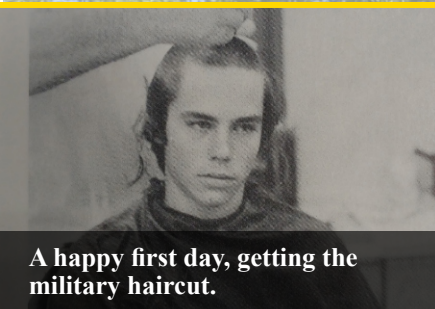

REPUBLICAN

# Brent RINEHART

STATE HOUSE 95

HE WILL NOT  
BEND

A happy first day, getting the military haircut.

Setting out as a new entrepreneur.

30 years later, still hands on.

**B**rent Rinehart has served our community since 1982—first as a U.S. Air Force crew chief at Tinker Air Force Base then as a KC-135 mechanic. In 1995, he founded Rinehart Heat & Air, building a hands-on, blue-collar business that still serves the community today.

Before it was popular, as a Councilman and County Commissioner, **Rinehart stood firm against the radical woke left.** He opposed DEI and stayed focused even when targeted with anti-Trump-style lawfare. Despite the constant attacks, he got results: every road in his district became paved, the first county district to do so, he avoided debt by paying cash for equipment, cut the district’s general fund by nearly half, brought transparency and accountability to county government and returned 30 million to the taxpayers.

Now, he's stepping up again. As State Representative, Rinehart wants to bring DOGE principles to Oklahoma, seeks to lower property taxes, support Make America Healthy Again, kill the turnpikes, fight corporate welfare and opposes the illegal alien invasion.

The incumbent? He’s voted for every single general appropriations bill, spiking state government spending to all time highs, has taken thousands from lobbyist entities, and scored just 33% on the 2024 GOP Platform Index—voting against Republican principles nearly 2/3rds of the time. It’s time for a change.

With your vote on June 16<sup>th</sup>, 2026, Brent Rinehart will once again deliver strong, unapologetic conservative leadership—**rejecting lobbyist money**—the influence that has compromised so many. He will again deliver the strong leadership House District 95 deserves and asks that when the dark money comes out to protect their own, please remember Brent has the track record of protecting the rights of taxpayers.

**No Lobbyist Money** – Refuse all gifts and donations from lobbyists and special interests

**Protect Our Rights** – Defend the 2nd Amendment, right-to-life, states' rights, and oppose new government regulations.

**Fight the illegal immigration invasion of our state.** State officials **MUST** stop playing with fire and get serious about this invasion.
